Noh is a classical Japanese performing art that emerged in the fourteenth century and has been transmitted continuously to the present day. In 2001, UNESCO designated noh as a “Masterpiece of the Oral and Intangible Heritage of Humanity.”

Full Language Support

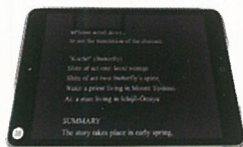

Julia Yamane

English Commentary

Japan-based specialist guides will provide easy to understand explanations in English.

Subtitles available

Subtitles available

English subtitles will be displayed to provide commentary as the performances unfold. The subtitles will scroll automatically along with the action on stage, making the stories easy to understand, even for beginners. You can view them on a rental tablet or on your smartphone.

Special Program: Backstage Tour

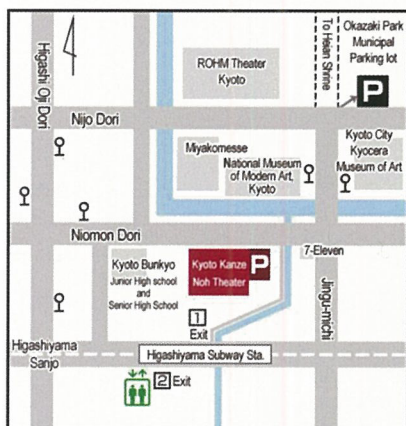

Limited to 20 persons per session

Participants will be able to visit the normally inaccessible backstage area, with expert commentary provided in English.

Watch how the performers don precious masks and costumes up close.

You can also take photos.

Go on the stage and see the theatre from the performers' point of view.
